DISPENSARIES ARE UNLAWFUL

Richmond, Va., Sept. 15.—The United States Circuit Court of Appeals in a decision handed down today sustained the decision of Judge J. C. Prichard in the famous case of the Fleischmann Company and others against the South Carolina Dispensary Commission, holding in effect that state can not conduct liquor traffic, that being a private business. The opinion was written by Judge James E. Boyd of Greensboro, N. C., and concurred in by all his associates, Judge Edmund Waddill and Chief Justice Fuller.

In the opinion Judge Boyd states in part:

"There are two main propositions, the jurisdictional point, which presents the question whether this is a suit against the state of South Carolina and therefore forbidden by the eleventh amendment, and, second whether the dispensary commission is a court incapable of having its proceedings stayed by a writ of injunction granted by a federal court."

The court further announces that in the conception and adoption of the eleventh amendment it never entered the minds of the framers of that amendment that a sovereign state could engage in the liquor business and become traders by buying and selling an article of common traffic in competition with the citizens of the country. It may be questioned, therefore, whether the state of South Carolina was exercising a governmental prerogative or performing a function necessarily or properly incident to its autonomy as a state.

ENJOYABLE MUSICAL RECITAL

The Musicals Given at 25000 Club Rooms Under Direction of Mrs. Shanafelt Much Appreciated.

The people of Ada were afforded a rare treat last evening at the recital given by Mrs. Ethel Shanafelt and Miss Grace McGee, assisted by Mrs. Jackson of Lehigh, Miss Leoti Newman of Atoka, Miss Harrel and Isadore Rosenfield.

The 25000 club rooms were crowded to the doors with lovers of music and dramatic art.

The programme was one of the best ever heard in the city, and from the great applause, was evidently appreciated by the entire audience.

All the numbers rendered by each of the participants in the program were received with demonstrated appreciation by the crowded assemblage.

The recital reflected most creditably on Mrs. Shanafelt, music teacher and Miss McGee, instructor in dramatic art.

The musical talent displayed by Miss Newman and Miss Marrell was exceptional.

Mrs. Jackson, with her beautiful voice and gracious manner, has captivated all Ada. She has been deluged with invitations to visit again and sing here during the winter at recitals. She received her preliminary voice work in New Orleans, the place of her birth. From there she went to St. Louis to study with the best voice teachers who presented her in many of the most exclusive and critical music circles of that very musical and aristocratic metropolis. Last year she spent in New York city studying under Victor Harris, one of the most celebrated voice teachers found in the United States. Mrs. Jackson's numbers given at the recital were of the highest order of excellence. She sang with an ease and grace equalled by none save an artist and received the most sincere applause. The Villanelle of Dell is one of the most difficult of vocal numbers but was sung with perfect rhythm and technical ability. Her charmed hearers recalled her and she most sweetly rendered, "Bonnie Sweet Bessie" to the delight of all. Isadore Rosenfield, a pupil of Mrs. Shanafelt, has done conservatory work in St. Louis and shows marked ability as a pianist. He is now working on his numbers preparatory to being presented by Mrs. Shanafelt in a recital of his own during November.

FORCE ENTRANCE TO SCHOOL.

18-Year-Old Negress Wins Fight Against "Jim Crow" Education

Alton, Ill., Sept. 15.—Armed with a writ of the Illinois supreme court, for which she had fought for eleven years, during which time she refused to attend negro public schools here, Minnie Bibb, aged 18, forced her admission into the Alton public school for whites this morning. The big negress was assigned to the Washington school, third grade, with white tots from 8 to 10 years old. She is larger than her teacher.

All the 400 negro school pupils who struck last week for admission to white schools are expected to again storm white schools for admission. The superintendent transferred them last week to negro schools, on the ground that the white schools lacked room.

SCHOOL CHILD.

REN, ATTENTION.

All children who expect to attend school this year will be expected to register as follows: Those in the first six grades who live west of Rennie avenue and north of Main street will register at the North School on Monday, Sept. 21, sometime between 9 and 3 o'clock. Those in the first six grades west of Rennie and south of Main, also south of 13th street and east of Rennie will register the same day at the South School. Those north of 13th street and east of Rennie, also those between the Firco and Main will register at the Central School at the N. E. corner of 14th and Stockton avenue on Tuesday. All those in the 7th and the grades above will register at the Central School at corner of 14th and Stockton on Tuesday. Take promotion certificates. Names, dates of birth, parents' names, exact place of residence, etc., will be required. After registration pupils will be assigned rooms and be given a list of books and supplies required by the new text book law. They will be expected to be fully provided with these on their return to enter school on Sept. 28.

The Facilities for Handling the Increasing Business of the Farmers State Bank Enlarged

The Directors of this Bank take pleasure in making the announcement to the public that a Savings Department has been added to the Farmers State Bank. We wish in this connection to publicly express our appreciation of the confidence which the business and professional men of Ada and Pontotoc county repose in the management of the bank by transacting their business through this bank.

But we especially invite the attention of the small depositor and those who have no bank account to our Savings Department. Pay all your bills by check. Have you stopped to consider the many advantages of transacting business in this manner? Every check issued by you is returned at the end of each month and is a receipt for money paid. Leader Gets Good.

Some time ago the Guthrie Leader published an article reflecting on the moral and professional standing of Dr. Ligon, a creditable physician and substantial citizen of this city. This slanderous publication grew out of the refusal of the county dispensary agent to fill prescription issued by Dr. Ligon, which cause was taken before the supreme court. The editor of Guthrie paper was arrested for criminal libel at the instance of Dr. Ligon. The other day he apologized and the suit for criminal libel has been withdrawn.

His apology is hereunder published:

"The news article appearing in the Leader of August 24 contained statements which tended to reflect upon the moral and professional standing of Dr. M. W. Ligon of Ada. Because of the publication a warrant was served on the editor at Tulsa on a charge of libel. The Leader is always anxious and willing to make proper amends for any wrong it may do. The item in question was taken from an exchange

by a reporter who was misinformed as to the facts. It is learned that Dr. Ligon is a gentleman of honor, such as is not questioned even among his enemies; that he is indeed a prohibitionist and has scrupulously avoided any violation of the Billups booze bill. The Leader regrets exceedingly the erroneous publication, and gladly makes this correction and withdraws all the derogatory statements and implications."

No Victory.

Yesterday afternoon the long anticipated game was called between the Bloomer and the Lose-fitting dresses. The game started off with root, root, for your own side and each swore to defeat the other.

It was a gangling, gawkey, long, slim, lose-fitting game, like the motherhubbards looked from start to finish with many grandstand plays, unintended by the motherhubbards for they found it a great difficulty to run as well or bat and throw the ball, which put them three scores behind the Bloomers in the seventh inning and in the eighth, the Bloomers gained two more. This proved to the Motherhubbards they had to work or loose their game, so they gingered up with the intention of winning their game and in the last half of the ninth inning they tied the game by a score of 12 to 12. On account of the lateness of the evening it was decided to play off the tie at another time, probably next week as the park will be in use the rest of this week, the Washington City team will be here for three games. So remember the dates and don't miss any of the games, beginning Thursday.

How to Get Strong.

P. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it's my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh resulted, insomnia has been over come, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.

Deafness Cannot Be Cured

by local applications, as they cannot reach the disease portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

Heart Strength

Heart strength, or Heart Weakness, means Nerve strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is in itself, actually diseased. It is almost always a tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and failing hearts. Dr. Shoop first sought the cause of all this painful, painful, suffering heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds, it strengthens; it offers real, genuine heart help. If you would have strong hearts, strong digestion, strengthen these nerves—re-establish them as needed with

NO HARD STRUGGLE.

Many An Ada Citizen Finds the Struggle Hard.

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. Ada people endorse this claim: Mrs. Chas. Barrier, living on West 7th and Cherry Sts., Ada, Ok., says: "For a long time my husband was troubled with severe pains through the small of his back. Occasionally he had such sharp twinges that he could hardly refrain from crying out. Bending and straightening would always intensify his suffering. The kidney secretions were also irregular in action. These symptoms led him to believe that his kidneys were disordered and learning of Doan's Kidney Pills, he procured a box at G. M. Ramsey's drug store. He took them according to directions, and the trouble entirely disappeared. He has had no return of kidney complaint since, and consequently thinks very highly of Doan's Kidney Pills." For sale by all dealers. Price 50 cents. The Restorative reaches out for the actual cause of these ailments—the failing "inside nerves." Anyway test the Restorative 48 hours. In this department—the indicator of Fashion tendencies—we have embodied every new creation offered by the style dictators.

DISPENSARIES ARE UNLAWFUL

Richmond, Va., Sept. 15.—The United States Circuit Court of Appeals in a decision handed down today sustained the decision of Judge J. C. Prechard in the famous case of the Fleischmann Company and others against the South Carolina Dispensary Commission, holding in effect that state can not conduct liquor traffic, that being a private business. The opinion was written by Judge James B. Boyd of Greensboro, N. C., and concurred in by all his associates, Judge Edmund Wall-dill and Chief Justice Fuller.

In the opinion Judge Boyd states in part:

"There are two main propositions, the jurisdictional point, which presents the question whether this is a suit against the state of South Carolina and therefore forbidden by the eleventh amendment, and, second whether the dispensary commission is a court incapable of having its proceedings stayed by a writ of injunction granted by a federal court."

The court further announces that in the conception and adoption of the eleventh amendment it never entered the minds of the framers of that amendment that a sovereign state could engage in the liquor business and become traders by buying and selling an article of common traffic in competition with the citizens of the country. It may be questioned, therefore, whether the state of South Carolina was exercising a governmental prerogative or performing a function necessarily or properly incident to its autonomy as a state.

ENJOYABLE MUSICAL RECITAL

The Musical Given at 25000 Club Rooms Under Direction of Mrs. Shanafelt Much Appreciated.

The people of Ada were afforded a rare treat last evening at the recital given by Mrs. Ethel Shanafelt and Miss Grace McGee, assisted by Mrs. Jackson of Lehigh, Miss Leoti Newman of Atoka, Miss Harrel and Isadore Rosenfield.

The 25000 club rooms were crowded to the doors with lovers of music and dramatic art.

The programme was one of the best ever heard in the city, and from the great applause, was evidently appreciated by the entire audience.

All the numbers rendered by each of the participants in the program were received with demonstrated appreciation by the crowded assemblage.

The recital reflected most creditably on Mrs. Shanafelt, music teacher and Miss McGee, instructor in dramatic art.

The musical talent displayed by Miss Newman and Miss Marrell was exceptional.

Mrs. Jackson, with her beautiful voice and gracious manner, has captivated all Ada. She has been deluged with invitations to visit again and sing here during the winter at recitals. She received her preliminary voice work in New Orleans, the place of her birth. From there she went to St. Louis to study with the best voice teachers who presented her in many of the most exclusive and critical music circles of that very musical and aristocratic metropolis. Last year she spent in New York city studying under Victor Harris, one of the most celebrated voice teachers found in the United States. Mrs. Jackson's numbers given at the recital were of the highest order of excellence. She sang with an ease and grace equalled by none save an artist and received the most sincere applause. The Villanelle of Dell is one of the most difficult of vocal numbers but was sung with perfect rhythm and technical ability. Her charmed hearers recalled her and she most sweetly rendered, "Bonnie Sweet Bessie" to the delight of all. Isadore Rosenfield, a pupil of Mrs. Shanafelt, has done conservatory work in St. Louis and shows marked ability as a pianist. He is now working on his numbers preparatory to being presented by Mrs. Shanafelt in a recital of his own during November.

FORCE ENTRANCE TO SCHOOL.

18-Year-Old Negress Wins Fight Against "Jim Crow" Education

Alton, Ill., Sept. 15.—Armed with a writ of the Illinois supreme court, for which she had fought for eleven years, during which time she refused to attend negro public schools here, Minnie Rauh, aged 18, forced her admission into the Alton public school for whites this morning. The big negress was assigned to the Washington school, third grade, with white tots from 8 to 10 years old. She is larger than her teacher.

All the 400 negro school pupils who struck last week for admission to white schools are expected to again storm white schools for admission. The superintendent transferred them last week to negro schools, on the ground that the white schools lacked room.

SCHOOL CHILD.

REN, ATTENTION.

All children who expect to attend school this year will be expected to register as follows: Those in the first six grades who live west of Rennie avenue and north of Main street will register at the North School on Monday, Sept. 21, sometime between 9 and 3 o'clock. Those in the first six grades west of Rennie and south of Main, also south of 13th street and east of Rennie will register the same day at the South School. Those north of 13th street and east of Rennie, also those between the Firco and Main will register at the Central School at the N. E. corner of 14th and Stockton avenue on Tuesday. All those in the 7th and the grades above will register at the Central School at corner of 14th and Stockton on Tuesday. Take promotion certificates. Names, dates of birth, parents' names, exact place of residence, etc., will be required. After registration pupils will be assigned rooms and be given a list of books and supplies required by the new text book law. They will be expected to be fully provided with these on their return to enter school on Sept. 28.

DISPENSARIES ARE UNLAWFUL

Richmond, Va., Sept. 15.—The United States Circuit Court of Appeals in a decision handed down today sustained the decision of Judge J. C. Prichard in the famous case of the Fleischmann Company and others against the South Carolina Dispensary Commission, holding in effect that state can not conduct liquor traffic, that being a private business. The opinion was written by Judge James E. Boyd of Greensboro, N. C., and concurred in by all his associates, Judge Edmund Waddill and Chief Justice Fuller.

In the opinion Judge Boyd states in part: "There are two main propositions, the jurisdictional point, which presents the question whether this is a suit against the state of South Carolina and therefore forbidden by the eleventh amendment, and, second whether the dispensary commission is a court incapable of having its proceedings stayed by a writ of injunction granted by a federal court."

The court further announces that in the conception and adoption of the eleventh amendment it never entered the minds of the framers of that amendment that a sovereign state could engage in the liquor business and become traders by buying and selling an article of common traffic in competition with the citizens of the country. It may be questioned, therefore, whether the state of South Carolina was exercising a governmental prerogative or performing a function necessarily or properly incident to its autonomy as a state.

ENJOYABLE MUSICAL RECITAL

The Musicals Given at 25000 Club Rooms Under Direction of Mrs. Shanafelt Much Appreciated.

The people of Ada were afforded a rare treat last evening at the recital given by Mrs. Ethel Shanafelt and Miss Grace McGee, assisted by Mrs. Jackson of Lehigh, Miss Leola Newman of Atoka, Miss Harrel and Isadore Rosenfield.

The 25000 club rooms were crowded to the doors with lovers of music and dramatic art.

The programme was one of the best ever heard in the city, and from the great applause, was evidently appreciated by the entire audience.

All the numbers rendered by each of the participants in the program were received with demonstrated appreciation by the crowded assemblage.

The recital reflected most creditably on Mrs. Shanafelt, music teacher and Miss McGee, instructor in dramatic art.

The musical talent displayed by Miss Newman and Miss Marrell was exceptional.

Mrs. Jackson, with her beautiful voice and gracious manner, has captivated all Ada. She has been deluged with invitations to visit again and sing here during the winter at recitals. She received her preliminary voice work in New Orleans, the place of her birth. From there she went to St. Louis to study with the best voice teachers who presented her in many of the most exclusive and critical music circles of that very musical and aristocratic metropolis. Last year she spent in New York city studying under Victor Harris, one of the most celebrated voice teachers found in the United States. Mrs. Jackson's numbers given at the recital were of the highest order of excellence. She sang with an ease and grace equalled by none save an artist and received the most sincere applause. The Villanelle of Dell is one of the most difficult of vocal numbers but was sung with perfect rhythm and technical ability. Her charmed hearers recalled her and she most sweetly rendered, "Bonnie Sweet Bessie" to the delight of all. Isadore Rosenfield, a pupil of Mrs. Shanafelt, has done conservatory work in St. Louis and shows marked ability as a pianist. He is now working on his numbers preparatory to being presented by Mrs. Shanafelt in a recital of his own during November.

FORCE ENTRANCE TO SCHOOL.

18-Year-Old Negress Wins Fight Against "Jim Crow" Education

Alton, Ill., Sept. 15.—Armed with a writ of the Illinois supreme court, for which she had fought for eleven years, during which time she refused to attend negro public schools here, Minnie Bibb, aged 18, forced her admission into the Alton public school for whites this morning. The big negress was assigned to the Washington school, third grade, with white tots from 8 to 10 years old. She is larger than her teacher.

All the 400 negro school pupils who struck last week for admission to white schools are expected to again storm white schools for admission. The superintendent transferred them last week to negro schools, on the ground that the white schools lacked room.

SCHOOL CHILDREN, ATTENTION.

All children who expect to attend school this year will be expected to register as follows: Those in the first six grades who live west of Rennie avenue and north of Main street will register at the North School on Monday, Sept. 21, sometime between 9 and 3 o'clock. Those in the first six grades west of Rennie and south of Main, also south of 13th street and east of Rennie will register the same day at the South School. Those north of 13th street and east of Rennie, also those between the Firco and Main will register at the Central School at the N. E. corner of 14th and Stockton avenue on Tuesday. All those in the 7th and the grades above will register at the Central School at corner of 14th and Stockton on Tuesday. Take promotion certificates. Names, dates of birth, parents' names, exact place of residence, etc., will be required. After registration pupils will be assigned rooms and be given a list of books and supplies required by the new text book law. They will be expected to be fully provided with these on their return to enter school on Sept. 28.

Many An Ada Citizen Finds the Struggle Hard.

With a back constantly aching, With distressing urinary disorders, Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. Ada people endorse this claim: Mrs. Chas. Barrier, living on West 7th and Cherry Sts., Ada, Ok., says: "For a long time my husband was troubled with severe pains through the small of his back. Occasionally he had such sharp twinges that he could hardly refrain from crying out. Bending and straightening would always intensify his suffering. The kidney secretions were also irregular in action. These symptoms led him to believe that his kidneys were disordered and learning of Doan's Kidney Pills, he procured a box at G. M. Ramsey's drug store. He took them according to directions, and the trouble entirely disappeared. He has had no return of kidney complaint since, and consequently thinks very highly of Doan's Kidney Pills." For sale by all dealers. Price 50 cents.
